

ILLUME PROGRAM REGISTRATION APPLICATION

Complete, **sign**, and return the four page Registration Application with your check or credit card authorization form. Please make checks payable to illume.

I am registering for:

- Complete Program (with group flights)
 Land Only Program Option (without group flights)

Please consider carefully the Program Option best suited for your travel needs.

The Complete Program Option includes group airfare and group airport transfers coinciding with the group flight schedule.

Group airline reservations include parameters imposed by the airlines. With group flight reservations you are not permitted to: pre-select your seat assignment, request extra leg room, upgrade your ticket to business or first class, deviate from the group flight dates, or depart from another city. For group reservations, most airlines set aside a block of seats for the group, and do not inform passengers of their seat assignment or accommodate requests until the day of departure. Illume encourages you to reiterate any seat requests at time of check-in.

The tentative group flight schedule will be available approximately 4-6 weeks after registration. Schedules are subject to change; final information will be included in the Portfolio of Travel documents you receive approximately 3 weeks prior to departure.

The Land Only Option does not include airfare nor airport transfers.

Illume appreciates that many people are accustomed to personal customization of flight reservations. Participants who wish to deviate from the group flight itinerary, use frequent flyer mileage to confirm flights, request upgrades, depart early or return later, depart from a different city, or pre-select specific seat assignments must reserve and purchase their airline tickets independently (such as directly with an airline, with an online travel website, or with a local travel agency). The scope of services illume has been engaged to provide for your program does not permit illume to make individual airline reservations. If you will arrange for your own flights, plan also to arrange local transportation (e.g. taxi) between the airport and hotel.

Changing your registration from the Land-Only option to the Complete Program option is subject to additional costs of \$200 and is subject to airline availability at the time the change is requested. Similarly, changing from the Complete Program option to the Land-Only option is subject to additional costs ranging from \$200 up to the full cost of the airfare for your canceled air seat.
